Hear Hear!

Steve - thanks for your sound analysis, hard work, creativity, and good humor. No doubt we will be back at the OR CZARA issue at some point, but until then enjoy the well-deserved break.

Steve,

I completely respect and support your decision to step back now. It makes complete sense. (I will also be looking for ways to scale back my involvement with Oregon CZARA. Many other states and a few significant non-CZARA priorities are calling my name.)

I just want to sincerely thank you for your extended and truly excellent service to our troubled little program here in CZARA-World. We could not have done this without you, as your input was vital, creative, and most helpful.

JB,

I'm going to be stepping back a little on this Oregon/agriculture/CZARA issue.
